

Arranging Your Own Litter Pick

Ashington Town Council is committed to working with residents, schools, community groups and businesses to help improve the local environment and make Ashington a cleaner place to live, work and visit.

We all have a part to play in helping keep Ashington clean and tidy and we would like everyone to join us in taking action and help collect and dispose of litter from our streets, parks and open spaces.

If you would like to arrange your own litter pick we can help.

- ◆ Complete a registration/litter picker loan form. You will receive litter pickers, bags and bag hoops,
- ◆ Activity Sheets. You can request activity sheets for younger members of your litter picking team, litter bingo and puzzle sheet,
- ◆ Receive a litter picking safety check list,
- ◆ Download the Great British Clean 'Guide for Hosts',
- ◆ Arrange with us to get your litter collected,
- ◆ Arrange to return your litter picking equipment,
- ◆ Let us know how much you collected. Once you have carried out your litter pick, it would be great to hear how you have done. Please let us know the number of people who took part. The number of bags of litter collected and how many plastic bottles were collected. We will share your litter picking results on our Facebook page and website.

Ashington Town Council supports the Great British Spring Clean so watch out for upcoming dates.
