

Summer is on its way again and as always it's a good time to give you quick details of a few events coming up in Ashington.

June always sees the staging of two major community events, the Northumberland Miners' Picnic at Woodhorn Museum and Ashington Fayre Day and you can find details of both events overleaf.

If you usually attend the 'Picnic' event at Woodhorn Museum, then you'll know it's a great family day out. The Town Council is delighted to again be a major sponsor of the annual event on Saturday 8 June, and we're expecting a large crowd for a full day of activities and performances. This year's event is headlined with a solo performance from the ever popular Glenn Tilbrook of top international band 'Squeeze'. It's definitely going to be a busy day so if you can get there under 'your own steam' please do so; there's also a planned 'park and ride' scheme from the former Alcan site car park or the free pick-up & drop off from the car park of Ashington Leisure Centre.

Ashington Fayre Day on Sunday 30 June, is again taking place at the Wansbeck Square car park and adjacent grassed area. The Fayre will include fairground rides, live music, market stalls and a range of family entertainment as well as a number of new attractions this year. The Fayre is brought together by a dedicated working group of local community organisations and volunteers working alongside the Town Council including YMCA Northumberland, Ashington WI, Bad Apples North East, Ashington Cricket Club and Northumberland County Council and we thank them for their invaluable and much appreciated support.

On a reflective note, along with many other towns across the Country, Ashington will also this year be remembering the 75th

Anniversary of D-Day as well as bringing to mind those who currently serve in the Armed Forces. On Thursday 6 June, a service, organised by the Ashington Branch of the Royal British Legion, will take place at the Ashington Memorial Garden, on Kenilworth Road, commencing at 10.30am, all members of the community are welcome to attend on the day.

You can also find details in this quick update of the Town Council's ever popular Annual Gardens Competition that continues to attract interest from entrants across the town of all ages...the annual awards evening is always a highlight and reminds us of the real 'green-fingered' talent that we have in Ashington.

We'll be producing a more detailed newsletter soon with an update on town centre regeneration and further news and plans for improvement and minor works. In the meantime please keep up-to date with all things Ashington at the website www.ashingtontowncouncil.gov.uk where you'll find the news as articles relating to the town and well as meeting dates and contact details.
