All Cllrs and staff are welcome.

***Hirst Co-ordination Group***

The Clerk attended an online meeting on 23<sup>rd</sup> June, at the invite of Vanessa Easton (NCC Northumberland Communities Together). The aim of the group is to bring together those working in the Hirst and aligning to the Ashington Town Plan. To working in partnership with residents to improve the area, to strive for better outcomes for residents, children, young people, babies, and their families in Hirst area. By working collaboratively with organisations and residents to build on the strengths and assets in the area and to identify what issues communities need support with and look at potential developments of new initiatives.

The group was previously established but this is the first meeting that any ATC Officer has been invited to. The meeting took stock of its aims and the value of meetings in the future, as there appeared some duplication with other meetings. It was agreed it would be revisited how often the group meets.

Liz Robinson (Public Health) updated the group on the Northumberland standard place-based tool which is currently being used as part of the 12 inequality events being held across Northumberland (members may be attending the Ashington event on 8<sup>th</sup> July at North Seaton Community Centre). This event will also introduce the place-based tool.

**Ashington Town Council**  
**AGREED Minutes of the Finance & General Services Committee Meeting held at**  
**6:00pm on Tuesday 12<sup>th</sup> July 2022, in The Council Chamber, Town Hall**

Those in attendance were asked if they would be happy to be trained to facilitate discussions with groups and/or individually with residents, using the place-based tool. It was discussed that Heart of the Hirst Summer Fair would be a good opportunity. Northumberland Communities Together are identifying groups in the Hirst who would be able to support this information seeking activity.

Those in attendance gave updates on the work they were doing in the Hirst. The next meeting is scheduled for 28<sup>th</sup> July 2022.

### ***SUEZ Briefing***

Some members were able to attend the briefing on Tuesday 5<sup>th</sup> July. If you could not attend, a recording of the briefing is available and has been emailed out.

A photograph opportunity with the schools who have designed signage for Station Road beds was planned for Wednesday 6<sup>th</sup> July, unfortunately this had to be postponed due to the weather, but it has been re-scheduled for Wednesday 13<sup>th</sup> July.

### ***Jack Charlton Statue/Ashington's Football Heritage***

A meeting is scheduled for Wednesday 13<sup>th</sup> July to finalise all plans, prior to submitting to planning.

Northumberland FA are excited to be involved the football festival element of the unveiling with juniors and possibly walking football. October is the run up the 2024 World Cup and offers a further fantastic opportunity to inspire through football. It is hoped this could be a legacy event which Northumberland FA could support Ashington Junior FC to coordinate if they were keen. Recent press coverage on the project was positive, and Cllr Lavery did an excellent interview on BBC Radio Newcastle.

### ***ATC Neighbourhood Services***

Watering has proven a lengthy task in view of recent weather. Luckily with two NSO's, Ryan has been completing the watering, while Mark continues with maintenance issues. There were several bus shelter windows broken which require replacement, as well as ongoing repairs and refurbishment on seats and shelters. New bins are being installed and the 2<sup>nd</sup> delivery will be received in the coming weeks.

### ***Climate Change Grant***

Sharon was successful in an application to the NCC Climate Action grant panel for £943.68 towards the supply of litter pickers, as part of the 'Clean Green Ashington' strategy. We will continue to promote the equipment for use by groups in and around Ashington.

### ***Jackie Milburn Statue***

NCC is seeking to contact Ashington Town Council regarding the reinstall of the statue outside the leisure centre. In communication with the NCC officer involved, the Clerk has advised the information required to allow the Council to come to a decision on this, and subsequent liability in regards any responsibility for the statue once installed.
