

ASHINGTON TOWN COUNCIL
DRAFT Minutes of the Full Council Meeting held at 6:00pm
on Tuesday 18th July 2023
at Ashington Town Hall, Council Chamber, 65 Station Road, Ashington, NE63 8RX

COUNCILLORS PRESENT:

Mark Purvis (Chair), Cllrs Louis Brown, Vicky Brown, Glyn Davies, Eleanor Armstrong, John Tully, and Matthew Cuthbert

ALSO, IN ATTENDANCE

Sarah Eden – Executive Officer/RFO and Gary Holmes – Administration Assistant.

FC23/035 WELCOME BY THE CHAIR

Welcome by Cllr Mark Purvis.

FC23/036 APOLOGIES FOR ABSENCE

Apologies for absence were received from Cllrs Bob Walkinshaw, Caroline Bell, Michelle Brannigan, Marjorie Chambers, Lawrence Henderson, Pauline Thompson, Mark Purvis, Lynne Grimshaw.

FC23/037 DISCLOSURE OF INTERESTS

There were no disclosures of interest.

FC23/038 DISPENSATIONS

There were no requests for dispensations.

FC23/039 PUBLIC PARTICIPATION

There was one member of the public present, and the following questions were received:

1. *Does the Council consider that its current composition provides the best possible representation of the electorate of Ashington? Particularly in terms of age, gender, health, employment status and political affiliation.*
2. *What steps is the council taking to encourage greater participation in elections to it? Thinking of how many of the current Town Cllrs were elected unopposed.*
3. *Does the council consider that the attendance and active participation of members is what the electorate deserve?*
4. *While it is undoubtedly reasonable to make allowance for temporary inability for elected members to attend meetings does the council believe that there maybe circumstances where having the ability to bring “new blood” into the council would be better than always granting exemption from attending meetings and being removed by virtue of non-attendance?*
5. *Members who are unlikely to return to an active role on the Council would be able to resign creating a casual vacancy that could be filled by by-election or co-option. This could be used as an opportunity to widen the membership and demonstrate the council was seeking to be as open and democratic as possible.*
6. *Does the Council consider it should be more pro-active regarding the developments in the town and should take a lead in the creation of a Neighbourhood Plan for Ashington? I understand the Council is considering a Strategic Plan, surely leading on what local people want in terms of future development of the town should be a key part of this. It is a sad fact that people are more likely to get involved in campaigns against, what they consider undesirable developments, (like the Banks’ housing proposal West of Wansbeck Road), than in participating in planning a new attractive and sustainable future with appropriate infrastructure.*

Development should not be lead by commercial property developers.

A democratically elected council should be able to guide future development of their area with active participation of its population.

The Chair proposed, and **it was AGREED**, that a full written response to the questions posed would be send by the Council's Executive Officer, on behalf of the Council.

Cllr John Tully, Leader of Ashington Town Council, expressed that he welcomed resident engagement and that he hoped engagement could be extended beyond opinion on those elected to the actual work of the Council in pursuit of the priorities identified.
