“Thank you, Chair, and thank you to my fellow Councillors for electing me as Civic Head of Ashington Town Council.

I would like to begin by expressing my sincere gratitude to Councillor Caroline Ball for her exceptional service as Civic Head during the previous term. Caroline represented our town with great dignity, warmth, and dedication, attending numerous community events and has set a high standard.

I am truly honoured to take on this important role representing Ashington. Having been involved with community groups in our town for many years, I've witnessed firsthand the incredible work being done by volunteers and community organisations across Ashington. These groups are the heart of our community, providing support, connection, and enrichment to the lives of our residents.

As your Civic Head, I am looking forward to going out and about to visiting as many community groups and organisations as possible throughout our town. This wasn't possible the last time I was Civic Head, in 2021 due to Covid.

Thank you once again for your trust and support. I look forward to serving you and our community in the coming year.”

FC2526/020 EMERGENCY ITEM - Summer Planters – Recommendation to Deliver In-House Planting

Mark Air delivered a report recommending that the Council proceed with sourcing plants for the 2025 summer planter scheme from Wansbeck Garden Centre, while delivering the planting in-house using the Council's Neighbourhood Services team.

Mark Air explained that this revised approach follows a review of operational delivery, timelines, and associated costs. The Council has historically worked in partnership with Wansbeck Garden Centre to deliver seasonal planter schemes across 23 floral displays throughout the town. However, following changes within the Council's internal staffing structure and closer oversight of Neighbourhood Services operations, the team's capacity and confidence had developed significantly. Mark Air highlighted the strengths and enthusiasm of the team to deliver this in-house.

Mark Air presented the financial savings and greater stewardship over planters that are maintained by Ryan.

Mark Air outlined that this approach would provide immediate cost savings without compromising quality, retain trusted plant supply through the long-standing partnership with Wansbeck Garden Centre, utilise internal resources for planting, with the team already responsible for aftercare, enhance team ownership and delivery of visible public-facing services, and finally begin transition to greater control over seasonal planting schemes as the Council looks at reducing planters in favour of landscaped beds, and more sustainable planting.

Mark Air confirmed that open and honest conversations had taken place with Wansbeck Garden Centre regarding the need to ensure value for money and effective use of public funds. The strong working relationship remained valued, and there was goodwill on both sides regarding this revised approach.

Cllr Scott Amery asked if some of the towers could be removed to save money that way. Mark advised that would be the plan and to potentially add a landscaped bed instead, with planter utilised where beds are not possible.

Cllr Caroline Ball asked if the savings could be moved to the environment budget.

In response to a question from Cllr Marjorie Chambers, Mark confirmed that the tower near the black bridge would be one likely selected for removal to this being a target for theft of plants.

In response to a question from Cllr Pauline Thompspon about the possible use of one or two allotments to grow their own plants from seed, Mark responded that the time and effort were very high, and the success rate would likely be much lower than purchase from reputable experts. Adding that getting plants in the numbers required was challenging for garden centres without notice. Mark confirmed that whilst possible it would require more staff due to the labour intensity.

Cllr Lynne Grimshaw said it was a wonderful idea in terms of sustainability and that she hopes the flowers will attract butterflies and bees. Mark confirmed they would.

AGENDA 6, Enc i) ASHINGTON TOWN COUNCIL, DRAFT Minutes of the Annual Meeting of the Council held at 6:00pm on Tuesday 20th May 2025, at Ashington Town Hall, Council Chamber, 65 Station Road, Ashington, NE63 8RX

It was AGREED to proceed with ordering plants for the 2025 summer planter scheme from Wansbeck Garden Centre, with planting to be delivered in-house using the Neighbourhood Services team.

It was NOTED the Council's intention to explore greater control of plant sourcing in future years, allowing for improved planning, flexibility, and further cost savings.
