

Market Stall 27th September 2022

Officers and members could take turns on the stall. One idea is to give away wild flower seeds which can have the Town Council logo and a message. (50p a packet)

Engage with the public on Climate Change issues.

NCC Green Dog Walkers

Ask NCC Green Dog Walkers to take up a stall or to be visible in town parks and public spaces during Big Green Week. Most specifically Hirst Park and Peoples Park.

NCC Climate Change Team

Ask NCC Climate Change Team to take up a stall at the market on 27th September.

Any other ideas?
