Community Safety Proposal  
Windy Gyle, Alexandra Road

# Provision of monitored CCTV Windy Gyle, Alexandra Road.

- **Aim:** Providing monitored CCTV and rapid response to ASB within our local parks, with an overall aim of reducing and eliminating incidents impacting on our emergency services and providing safer public spaces for our communities.
- **Method:** CCTV monitoring. Capturing of footage and images where activity causes alarm or distress to people and / or damage to property. Immediate reporting to local policing team and deployment of a patrol team to act as an intermediary in attempts to deter acts of crime or vandalism.
- **Impact:** Reduced ASB in our local parks. Reduced impact on emergency services. Reduced crime rates.
- **Duration:** 36 months
- **Cost:** £62+VAT per week this includes all repairs to equipment within a 24-hour period.
- Camera Installation Cost £192+vat (One-off)

## Our Core Business Values;

- ❖ **Integrity** – Knowing and doing the right thing. Even when no one is looking!
- ❖ **Ingenuity** – Continuous development of our people, services, equipment and software, ensuring you get the very best of everything.
- ❖ **Determination** – Delivering results every time with a passion for improving safety in our local and wider communities.
- ❖ **Reliability** – Meeting customer expectations and carefully managing our customer relationships. Recognising how our decisions impact others.
- ❖ **Communication** – Transactional and dynamic communication providing continuous exchange of information. Including detailed and relevant reports to external stakeholders.
