Parkhead & Wansbeck Powersports development proposals for working with inequalities .

The Parkhead has worked with young people' regardless of colour or creed, ability & disabilities' since 1999. Offering coaching and support in sports and exercise.

Since the Pandemic and almost 2 years inactivity' we are looking to rebuild to the numbers we had before.

To do so we are seeking funding help in the development of classes for young people from year 9. These would be held at Ashington Hirst Welfare Centre. Working with the 2 High Schools as we have done so in the past to recruit' interested numbers' Male and Female .

Parkhead have always worked whenever possible with disabilities and have ran a event that the majority could take part in every year up till the pandemic.
