Ashington Cricket Club	Central	<p>A family fun day followed by the lighting of a ceremonial fire in lieu of a beacon. We will hold a ‘Commonwealth’ themed cricket competition where past and present players along with parents and junior players will form teams that compete in softball matches against each other. We will have inflatables, small games and some crafts running alongside the cricket. Families will be invited to bring a picnic and take part in our version of a street party. There will be some music and hopefully people can be persuaded to take part in a sing-along! At the end of the day and in line with the lighting of the official Beacons around the UK and Commonwealth, we will light a beacon (within a firepit) to mark the occasion. We are looking for a bugler and piper for this to mimic the official ceremony as closely as possible. The event is open to the wider community, although the games will be played by people invited to participate and all are welcome to attend the lighting of the beacon.</p>	unlimited	£ 1,000.00	£ 250.00
Seaton Vale Neighbourhood Watch	Seaton	<p>A Jubilee Party which will be held on the estate on Sunday 5th June 12-3pm. We have booked a bouncy castle, plan to buy decorations, and have a fish and chip van coming. We have planned games for adults and children. The aim of this is the celebrate the jubilee and mark this occasion but mostly to bring our community together. The funding will be used to pay for the bouncy castle. This means we would not need to change for this and could have it as something which is free and fun for the children. This will be manned and supervised. Funding will also be used to go towards decorations and buy some items for games, such as a tug of war rope. Our aim is to get the different streets involved and hopefully bring everyone together.</p>	Seaton Vale residents	£ 250.00	£ 250.00
