

AGENDA 15a, Enc x) Environmental Enhancements - College Ward Improvements

Following a site meeting with County Cllr Mark Purvis, NCC Officers Peter Bowman and Barry Wilson, and Stephen Humphrey, the following improvement works were discussed.

Land is owned or managed by NCC so no further permissions would need to be sought.

College Shops

1. To remove one dead tree from the seating area, and a further dead tree from the shrub area. To prune and tidy remaining trees in the seating area. (Agreed that work would be undertaken by NCC Tree Officer).
2. To replace damaged grit bin (Agreed action of NCC Local Services).
3. Repair damaged rendering on wall around seating area (Agreed action of NCC Local Services).
4. Lift guards at base of trees to remove litter. Weed and jet wash area on completion of works (Agreed action of NCC Local Services, with support from ATC).
5. Clean and repaint of litter bins and public seats (Agreed action of ATC).
6. Address rubbish in bin area at rear of shops (Cllr. Purvis to speak to shop owners).
7. To obtain quotation to repaint rendered wall and fencing, replace x1 silver birch, purchase and plant evergreen shrubs and enhance with fresh soil and bark chippings (Agreed action of ATC and on agenda).

Grassed Area on B1334 (opposite North Seaton Industrial Estate)

8. Wave bulb planting (likely crocus) scheme to be investigated and costed (Town-wide ideas for wildflower and bulb planting is being brought to Climate Change Committee).

North Seaton Cemetery

9. To remove two redundant rockeries at entrance to North Seaton cemetery, with rocks relocated to Hirst Park, and grass over (Agreed action of NCC Local Services).
