

**WI Request to show message of support for Ukraine**

Hi Sarah

We had a discussion in our WI meeting and all members felt very strongly that they wanted to do something at the memorial garden.

Suggestions put forward were crocheted/knitted blue and yellow sunflowers with blue and yellow ribbons.

No one had any strong views about when and how these could be displayed in the garden.

We are open to positive discussions around this.

We would be grateful if you could put this suggestion forward at the relative meetings.

Thanks in anticipation,  
Sheila Screamon  
President  
Ashington Women's Institute
